Remarks

that Mr. G. K. Rao was regarded as an efficient Officer hitherto, so far as I could judge from remarks on his diaries.

Shimoga is of opinion that his transfer to the Rev Deptt for the Treasury change is desirable.

This Officer stands transferred to Tumkur Probs Sub Dn.

Mr C. Narayan Rao
Asst Supdt of Police

No doubt a capable officer. He Officer himself wants a change as on account of old age and domestic inconvenience he is prevented from leaving his home frequently for long periods. The Insp. General is averse to part with his services, but does not wish to stand in his way.

This office stands transferred to Shimoga

In their places the Inspector General recommends Mr Bava Rao, Extra Asstt Comr doing duty in the Excise Deptt & Syeduddin Hussain, City Police Inspector. The Excise Commissioner has no objection to the transfer of Mr. Bava Rao to the Police Deptt, provided he gets in his place any one of the following Officers:—

Mr C.S Bilasundram Iyer
" B. Ramaswamaya
" H. Basappa (Probs Asstt Comrs)
" P.G. D'Souza (—do.)

As regards Syeduddin Hussain, the I.G. says that though he is old, there is yet much energy left in him and that he is anxious to retire as a Gazetted Officer. He was once acting as Police Assistant Commissioner but was reduced to the post of Head Quarter Inspector on account

of certain irregularities, (vide ~~Copy of~~ Govt Pro. in the file pr. Misp.
No. 6154 dated the 29th October 1892).
J.7154-92

The Inspector General adds that if his above proposals are sanctioned, Rao Bahadur Rao may be posted to Shimoga and Syedudin Hussain to French Rocks Sub Division, which has been vacant by a Police Officer for some months past

About these recommenda-
-tions I may be allowed to remark that in the first place, the Revenue Commissioner who, I believe, is res-
-ponsible for the Revenue Administra-
-tion of the State, has not been consulted regarding the proposed transfers of Assistant Superinten-
-dents from the Police to the Reve-
-nue Departments, and the request of the Excise Commissioner for the ser-
-vices of certain Assistant Commis-
-sioners required to be transferred to the Excise Department. I find in the papers there has been a mutual exchange of opinions between the Excise Commissioner and the Inspec-
-tor General of Police, but the Revenue Commissioner who is the per-
-son most interested has been ignor-
-ed altogether. ×

I do not however wish to delay the disposal of the question by referring the matter to the Reve-
-nue Commissioner at this stage. I have no objection to take Mr. C. Narayana Rao in the Revenue Depart-
-ment as he has had considerable ex-
-perience of revenue matters as Amildar. The same cannot be said of Mr. C. Krishna Rao who has all along been in the Police Department. I think he ought to be able to [illegible] Police char-

× This may be omitted out- to the Inspr General of Police - but there is the in- -convenience of the 1st Comm'r giving his opinion finally when an new Comm'r be com- -mits himself to a certain opinion when in consultation with the I.G. of Police also the Comm'r. So long as the duties of Comm'r & new Comm'r are combined I (1) think there is no harm in reserving the Consulta- -tion to be made with the 1st Comm'r at a later stage. This formality would be meaningless & quite unnecessary -

But there will be the anomaly of a senior Supdt of Police working a very minor charge -

of French Rocks.

I must in this connec--tion protest against the system of appointing Assistant Commissioners who are recruited for quite a dif--ferent purpose, to the Excise De--partment. There is already Mr. Mathan who is one of the Civil Ser--vants, who entered the service by competition and who should have been put in charge of a Sub-Division of a District and trained for District work. He is now wasting his energies on work which could be done by any man of ordinary intelligence and on one third of his pay. I must take this opportunity and respectfully submit for the consideration of His Highness the desirability of re-or--ganizing this Department. To begin with, the system of assigning Assis--tant Commissioners from the general line should be put a stop to. A Supervisor on grades varying from 100 to 200 Rupees, working under the orders of the Deputy Commissioner would meet all the requirements of supervision in a District. The Sub-Division Assistant Commissioners may similarly overlook the work of the Toddy Establishment in their Sub-Divisions. I have long been of opi--nion that the Deputy and Assistant Excise Commissioners at Head Quarters are a superfluity.

2 Posting Asst Comrs for work in the Excise Dept is no new innovation. It is an old order of things - The number now raised is only one of exchange and if the Ld Comm-issioner has objection it need not be carried out.

the preparation of the list of groves to be reserved on which the Deputy Excise Commissioner is supposed to have been engaged these three years, has not yet been completed and has seriously interfered with the grant of lands for cultivation. I will not say more on this subject as I have entered into this question at some length in my memo dated 28. 3. 1903

However this may be, I think it is time that the Excise Commis-sioner was given to understand that none of the young men named by him can be spared for Excise work.

As regards the promotion of Mr. Syedudeen and the transfer of Mr Bava Rao to the Police Department I have no objection.

on the file connected with the question of taking on the permanent establishment the temporary establishment of two Inspectors in the Excise (2) deptt. /

This will be done with reference to it will be convenient to do so.

Note.

The office will kindly put up the papers before re-submission the file to the Dewan.

I am afraid Mr. G.Krishna Rao has not been fairly judged. He has long been considered a good Police Officer, and if I remember aright, it was only a few months ago that on the recommenda-tion of the present Inspector General he was promoted from the 2nd. to the 1st. Class of Superintendents, i.e., from Rs. 350 to Rs. 450. (1) The Deputy Commissioner had nothing to say against him all this while or when I was at Shimoga a few months ago. (2) How Mr. Krishna Rao could have suddenly become unfit for Police work for which he was specially (3) taken from the Education Deptt. a few years ago, it passes my comprehension. It was humiliation enough for so senior an officer to have been recently transferred from an important District to a Sub Division where he has to work under a Sub Division Officer not much above him in official rank and status. (4) I would not go further and condemn him as effete and as fit only for being put into the grade of Extra Assistant Commissioners. The transfer proposed would not more-over be fair to the other officers al-ready in the lower classes of that /#/ grade of which by reason of his pay, he will have to go to the very top. (5) I would keep him in the Police and give him some other District than Shimoga.

(1) This promotion came as a matter of course and the Dy. of Police cannot be taken to task for it.

(2) The Dy. Commr is not in charge of the Police Deptt & the omission of the Dy. Comr to speak to him about his Police Work cannot be taken as a conclusive fact.

(3) An appointment was given to Mr Krishna Rao in the Police Deptt when he was not wanted in the Ed. Deptt a Lady Supt having been appointed to the Maharanis College of which Mr K was the Head master. It is not correct to say that he was specially taken into Police Deptt.

(4) True enough. But the work must go on.

(5) How will this affect them. As each Supt of Police rises by periods of service & each stands individually by himself

To transfer to the Revenue Department, an officer unfit for the Police is, to say the least of it, not complimentary to that Department.

(1) The 1st Councillor bases his disagreement upon other grounds -

2. I see no objection to Mr. C.Narain Rao's transfer from Assistant Suptt. of Police to Extra Asstt. Commissioner. I believe it was only the other day that we promoted him in the Police from Rs. 250 to Rs. 300 by reason of the existe: of a vacancy. If he is now taken to the Revenue Deptt., his pay must be regulated by the Standing Orders which provide for periodical increments, i.e. he can only get Rs. 300 if he has already put in a service of 3 years on Rs 250.

(2) Quite right.

3. If Mr. G.Krishna Rao is retained in the Polic Deptt. and Mr. C.Narain Rao transferred from it as above, there will be only one vacancy in that Deptt. Why should not one of the young Probationary Asstt. Suptts. be tried at French Rocks ? They have been sufficiently long on Probation to be tried in a responsible but light charge If this is deemed undesirable, an efficient Amildar may be appointed and put in or some other arrangement made as to the Dewan may seem suitable. The correspondence about Mr. Bava Rao's transfer from the Excise to the Police is quite new to me and I am of opinion that it was as informal as it was

(3) Because Mr. Pg. & Mr. Mullis yng are not yet fit.

(4) Quite so

(5) There is no correspdce. The Inspr. Genl of P & Deptt this State Govt have corresponded between themselves -

GOVERNMENT OF MYSORE

was irregular.(1) Moreover the First Councillor and Revenue Commissioner is not disposed to spare for the Excise Deptt. the services of any of the young Revenue officers whose transfer to it, Mr. Purnaiyya makes a condition precedent to Mr. Bava Rao's transfer to the Police. I would, under these circumstances, leave Mr. Bava Rao alone and while saying so, I beg to reserve for a more appropriate occasion my opinion on the sweeping condemnation passed by the 1st Councillor on the personnel and work of a Department with which he has no direct concern. The question of date groves is receiving all possible attention. Syeduddin's past record has been so unsatisfactory that I cannot make up my mind to agree to his promotion.

(1) Why irregular?

4. To sum up, there are before Govt. the following proposals:-

1) The transfer of Mr. G.Krishna Rao from the Police Deptt. to the Revenue.

(Note. To this I am unable to agree.)

2) The transfer of Mr. C.Narain Rao from the Police Deptt. to the Revenue.

(Note. I have no objection provided his pay is fixed under the standing orders applicable to

to Extra Assistant Commissioners).

3) The transfer of Mr. Bava Rao from the Excise to the Police Deptt. on condition of one of four selected officers being transferred from the Revenue to the Police. (Note. This is undesirable and I am not prepared to recommend its sanction. I may also mention that there will be a difficulty as regards Mr. Bava Rao's position and pay as a Police Officer, and that this arrangement would not be quite fair to officers already in the lower grades of the Police Department. I would not resuscitate the anamoly of Asstt. Commissioners being seconded and asked to work in the Police Deptt. - an anamoly which we recognized and after considerable trouble, removed only a few months ago).

and 4) The promotion of Syeduddin from Police Inspector to Assistant Superintendent of Police. (Note. His antecedents are against him and his advancement as recommended is highly undesirable in public interests and I am not therefore in favor of it).

He will on reliq be posted with Shemoga District where he is at present working - till relieved he will continue in the Police Deptt. The D.I.G. of Police will be requested to recommend a good and efficient man from among the Police officers or Amuldars to fix appointment as Asst Supt of Police if necessary.

(2) Syed-U-Deen is an old Police officer and is working with energy - He is ~~about~~ to be super-annuated & which has been recommended in his case appears to me where he will considered - The incidents referred by the H.C. as well occurred ~~when~~ where the T.I. conviction was ~~withdrawn~~ when he was working in the and he agrees to his promotion of the Police Deptt as D.I. of Police. Proposed transfer of Mr. G. Krishna Rao, Superintendent of Police, and Mr. Narayana Rao, Assistant Superintendent of Police, to the Revenue Department and appointment of Mr. Bava Rao, Extra Assistant Commissioner and Police Inspector Syedudeen Hussain in their places

Order.

I accept the Dewan's proposals.

As Mr Narayan Rao is an efficient Revenue Officer, it seems a pity that he was ever transferred.

Again, I understand that Mr Bava Rao is singularly unsuited for the police, on account of physique, so he had better stay where he is.

Mr Syed ud din is well known as a good police officer, and I agree to his promotion.

2. I have in a previous note deprecated the constant interchange of officers between the police and the Reve Dept. It seems to me that when a man has shown his aptitude for one line or the other he should be retained in it.. I fully recognise the difficulties in the way of a separation of the Departments, but I do not see why some scheme of promotion for the higher subordinates of the police, other than through the revenue dept, cannot be devised, and I desire that the question may be taken up.

I entirely agree with the Ist Councillor's objection to the transfer of his most capable men

The second officer required is for the French Rocks Sub Divixion , i.e. of course , in case Mr: Kristna Rao who stands posted to it is transfered to the Revenue Line .Among the senior Inspectors there is Syedudeen Hussen ; he is an old Police officer and is nearing the close of his service There is yet much energy left in him . If the above proposals meet with the approval of Government , early sanction may be accorded so that these officers may join their appointments at once , as generally during the present season , dacoities and robberies are --- committed by professional men . Mr: Bava Rao is just getting an insight into the work so that he has spotted where matters have to be worked up . While letting him go I do not want to be put to the disadvantage of exchanging with an officer old and of the older set . Sir,

In continuation of my letter No: 8 of the 18th ultimo , I have the honor to state that certain changes among the Police Officers of the superior grade seem -- necessary not only on account in the exigency of public service but in the interests of the officers themselves; among others , I may mention the names of Messers G.Kris Rao and C.Narayana Rao . The Police Work in the Shimoga District is anything but satisfactory , as will be evide from a reference to the Administration Report for the year 1901 - 1902 .This District stands at the bottom of the Precedence List according to the result of Police work . Perhaps , Mr: Kristna Rao Superintendent of Police has good reasons to explain why his District occupies

this unenviable position ; but in the previous two years also the District never rose higher than the 7th and the 6th ranks respectively . This fact is a clear proof of the supervision being neither close nor strict . The Deputy Commissioner of Shimoga who was consulted in the matter is of opinion that Mr: Kristna Rao's transfer to the -- Revenue Department for the treasury charge is desirable.

Mr: C.Narayana Rao Assistant Superintendent of Police , who stands transfered to the Shimoga District is no doubt a capable officer and kept the Chitaldrug District which he now leaves, in fairly good order . He pleads that his age is telling on him so much so that his presence at the scene of occurrence cannot be as prompt as he himself would desire it ; besides, owing to some domestic inconvenience he is prevented from leaving his home frequently and for long periods . Though I am averse to part with his services , I do not wish to stand in his way to change the Department . I beg that Government will be pleased to transfer these officers to the Revenue or other Department as it may be considered proper .

In their places , I beg to recommend the appointment of Mr: Bava Rao Extra Assistant Commissioner , now doing duty in the Excise Department . Mr: Purniah, Excise Commissioner , has no objection to the transfer , provided
